MEMORANDUM FOR: [REDACTED]

SUBJECT: Transmittal of Maps and Acquisitions Lists

25X1A9a

1. In accordance with our discussions of last week, I am forwarding, under separate cover, some maps for [REDACTED] The maps are those immediately available after a quick review of the list given me by [REDACTED] of maps which he holds. These should be of some assistance to him. Others will follow.

2. I am also transmitting some Acquisitions Lists, both Secret and For Official Use Only, which cover the period of the last five months. We have cut these and are forwarding only the sections dealing with China, Korea, and USSR. If they prove to be of interest you can order maps listed therein, or we can send you lists which cover the few months preceding the currently forwarded coverage. In the future we will transmit these to you as they are issued. I think that you can arrange the appropriate routing in the shop there.

3. On October 30, 1958 I prepared a two-page paper for [REDACTED] people, in which I stated that I would forward a number of briefing materials. The "Guide to the Collection of Intelligence on Soviet Topographic Maps through Observation and Elicitation" currently being transmitted includes items a,b,c,d, and e mentioned on page 2 of my memorandum.

4. For your general information I am forwarding a copy of a 1:1,000,000 sheet which has been picked up by one of your people in India. The copy is a color separation job done in Washington.

5. One paper which explains the Soviet topographic training maps, coverage, and warnings re procurement is also included in the present transmittal.

6. Additional information will follow.
